

Silence is Golden - Especially Outside Your Accommodations Area

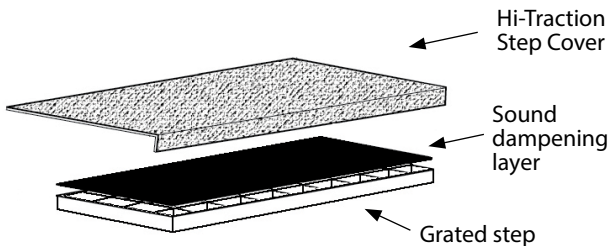

Is the Most Dangerous Part of Your Rig in the Accommodation Area?

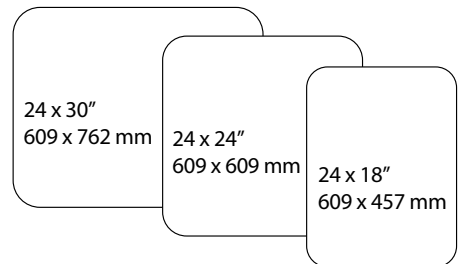

New Sound Dampening Option for Safeguard® Hi-Traction® Step Covers

You've already decided to protect your crew from slips-and-falls with Safeguard Hi-Traction step covers. Now, protect their sleep as well by providing the sound dampening option for steps just outside the accommodations area.

Hi-Traction® Self-Adhesive Accommodation Covers

When the tile outside the shower area is wet from spray or steam, slip-and-fall injuries can occur. Protect your crew with peel and stick vinyl floor covers. Hi-Traction barefoot grit means comfort plus effective, long-lasting protection.

SAFEGUARD
TECHNOLOGY
